Freedom Check-in

## What is Freedom Check In?

The Freedom check-in at The Ship's Quarters is very popular with our guests. All Ship's Quarters guests are pre-booked either by telephone, directly via our website, or through a booking agent. **Freedom Check in** makes arrivals very easy and straightforward. Check-in options are flexible to suit each guest.

*The daily access code and room details are sent by text when your room is ready on your day of arrival (or sometimes before.) This gives you full flexibility to check in at whatever time you'd like. Starting later on your journey or stopping off on the way is now an option, with no worries about being "late for check-in". Your room key and welcome pack are waiting in your room and you're good to come & go.*

There's no requirement to use any kiosk or machine, no waiting on the doorstep while a key holder comes to let you in, and no deadlines to stress over on your journey..... Freedom Check-in is very simple.

*Of course, if you need our assistance at any time, we're just a phone call away. We'll be with you in minutes.*
